AFTERWORD

Thank you all for reading this. It's my 2nd comic. I'm really happy now that it's out ♥

"Mousou One-Room"

I came up with this story because I wanted to draw a tyrannical bearded seme and a cute yet strong uke who are in an erotic yet pure love. I was really happy when I got to draw this.

"Koinu Datte Otona ni Naru"

From an outsider's point of view, the characters in this story are trying so desperately to enjoy their youths, to the point they look like idiots, but I think it's the ultimate form of love.

I'd be really happy if you guys could enjoy this even if just a bit.

To those who read this book, my editor-sama, everyone who took care of me at work, to those who helped me with the manuscript, to my family, friends who have supported me all along the way, and everyone, thank you so much.
